10th Standard (S. S. L. C)	Vidya Vardhaka Sangha Sardar Patel High School	Karnataka State Board	96.96%	2015

EXPERIENCE (EXTRACURRICULAR & ACADEMIC)

- **JPMORGAN CHASE & CO. | Software Engineering Virtual Intern** May-June 2020
 - Was offered the opportunity to explore life as a software engineer and obtained valuable technology skills.
 - Also familiarized with the company's frameworks and applied the technical skills to a hypothetical request from the firm's trading floor to analyze and to visualize data in a new way.
- **DELOITTE | Technology Consulting Virtual Intern** March-April 2020
 - Built the skills and confidence to pursue a career with the Technology & Strategy team.
 - Also gained enviable insight into what it's like to solve meaningful challenges and the topics covered were Technology, Strategy and Optimization.
- **PIXELLOID STUDIOS | Computer Animation Specialization in VFX & 3D Dynamics** 2019-2021
 - Pursuing 3D Essentials, 3D Advanced and Compositing courses which comprise of 3D Modeling, 3D Animation, Dynamics and Visual Effects (VFX).
 - Also pursuing a Specialization in VFX Dynamics and learning in a Live Production Environment of feature films projects. I have significant knowledge and experience in Autodesk MAYA which is the software used to create Computer Animated films.

PROJECTS

- **Office Database** : Created an office database using MySQL.
 - ❖ Github Link: github.com/AkashDAdiga/office-database-mysql.git
